### **Prairie Quest welcomes David Lill to team**

Fort Wayne, IN – David Lill joins Prairie Quest as Project Manager. Mr. Lill will be supporting Prairie Quest's new GPO (Group Purchasing Organization) project for office supplies. His extensive background makes him perfect for this position: he has been in the products and services industry for more than 20 years, working with the likes of Boxbergers and Office Max. He is a proven trailblazer and relationship nurturer. In his spare time, he enjoys spending time with family and watching sports of nearly any kind.

In 2009, Prairie Quest spearheaded an effort with several northeast Indiana government agencies to increase their buying power and leverage their spending. The result of this effort is the Northeast Indiana Public Purchasing Group—a regional cooperative intended to provide local procurement resources for local government agencies, municipalities, and school districts—currently in the form of office supplies. David Lill will be leading this venture for Prairie Quest. His new assignment will be developing and managing a similar group purchase organization focused on small and mid-sized businesses. Join us in welcoming him to the team! He can be reached via email ([dlill@prairiequest.com](mailto:dlill@prairiequest.com)) and phone (260.420.7374 x 101).
