Prairie Quest awarded marketing services work with the U.S. Army

Fort Wayne, Indiana – Prairie Quest has been awarded a marketing support services contract with the U.S. Army Recruiting Command the U.S. Army Cadet Command. This contract includes providing program and administrative support associated with the Army PaYS program. This nine year old program provides marketing support services that help soldiers secure jobs after serving their duty in the U.S. Army. Prairie Quest will also be developing strategic plans and requirements to determine program effectiveness, maintaining an information database, recruiting and maintaining existing partner relationships, and maintaining the program website.

Prairie Quest, headquartered in Fort Wayne, Indiana, is an award winning professional services firm with an impressive track record of public and private sector contracts. With a wealth of experience and expertise, Prairie Quest provides innovative, cost-effective solutions in project management, acquisition management, advisory and assistance services, business process analysis, and technology services. Over the past two months, Prairie Quest has increased its employee base by 42%.
