Prairie Quest to aid U.S. Army in human capital project

Fort Wayne, Indiana – Prairie Quest has been selected to perform technical and administrative support to review critical challenges faced by the U.S. Army Accession Command and provide creative approaches to transform current operations and synchronize the accession process to build readiness for the U.S. Army. This project includes strategic transformation, human capital strategic planning, organizational review and transformation, process improvement, change management, strategic communications, and studies integration and program management. The PQC team will be contributing to this effort at Fort Knox, KY.

Prairie Quest, headquartered in Fort Wayne, Indiana, is an award winning professional services firm with an impressive track record of public and private sector contracts. With a wealth of experience and expertise, Prairie Quest provides innovative, cost-effective solutions in project management, acquisition management, advisory and assistance services, business process analysis, and technology services.
