Prairie Quest awarded new work with the United States Army

Fort Wayne, Indiana – Prairie Quest has been awarded a new project: Office of Economic and Manpower Analysis (OEMA) with West Point out of the state of New York. The PQC team will provide Army staff and commands with policy-relevant, actionable, and timely analysis that spans the range of challenges senior leaders confront in guiding today’s Army while envisioning and creating tomorrow’s Army.

Prairie Quest, headquartered in Fort Wayne, Indiana, is an award winning professional services firm with an impressive track record of public and private sector contracts. With a wealth of experience and expertise, Prairie Quest provides innovative, cost-effective solutions in project management, acquisition management, advisory and assistance services, business process analysis, and technology services.
